some of my work
and personal projects.
I hope you like them!

Aykut Özgür

About me

HI!!

I am Aykut Ozgur, a graphic designer.
I was born and currently live in Izmir, Turkey.
I have no travel restrictions and can relocate to
another country. I have experience working remotely.

I am confident in my abilities in creative thinking, project management, time planning, and teamwork. I am proficient in using many Adobe programs. Graphic design has been my biggest hobby since childhood. I enjoy working with the pleasure of turning my hobby into a profession. I continuously follow innovations and focus on self-improvement.

Enhance Your Beauty with a Genuine Touch

- First of all, we meet you and learn about the procedure you choose to have.
- You upload photos of your body parts according to your surgery as instructed throughout the procedure.
- You fill out the medical history form we send to you correctly for a smooth surgery planning.
- We have an online consultation with our surgeons and outline your surgery.
- A team comprised of an internal medicine specialist, an anesthesiologist, and your plastic surgeon meets to discuss your operation to minimize possible risks and prepare a recovery plan.
- We offer 24/7 expert support.
- This surgery plan is presented to you for your approval.
- We set a surgery date and you book your tickets.
- Now you are ready to have your dream body!

To get more information from our certified medical consultants, Please Contact with our Whatsapp line or E-mail address.
